Hearts Wide as the World: Together Making a Difference

Greetings!

You may be aware that Pope Francis has declared a Jubilee year to direct our attention and actions on mercy. For each week of **Lent**, [the home page of our website](#) will feature a quote from Pope Francis and a reflective photo. These will also be posted to our [Facebook](#) page.

On February 12th, the 11th anniversary of [Sister Dorothy Stang's](#) murder in the Brazilian rainforest, we honor her life and commitment to justice for the poor. Please join us in praying for all those who continue her work, not only in the Amazon, but everywhere that people and the earth are not respected.

In Notre Dame,

Monica May
Director of Development
