Hearts Wide as the World: Together Making a Difference

Greetings!

Congratulations and thanks to all who supported the successful \$6 million Taube Challenge to save Ralston Hall! Such good news for **Notre Dame de Namur University** and the thousands of alums, neighbors, friends, Sisters, and everyone who has ever enjoyed an event at **Ralston Hall** or appreciated the historic treasure that it is.

We celebrate the impressive efforts of the University staff and the generous response of so many supporters. The University community is excited about the opportunity to make seismic retrofits and other major improvements to this valuable, well-loved part of Notre Dame's history in the Bay Area.

Your own memories of Ralston Hall are part of that history. [Please share your favorite memory of Ralston Hall in a comment on our website](#), where you'll also find other information about the Sisters' history with Ralston Hall.
