## **Notre Dame Education Conference Draws Worldwide Attendees**

During the last week of July, more than 300 Notre Dame de Namur educators, students, Sisters and Associates met at Emmanuel College in Boston for the annual Networking for Mission Conference.

Participants came from 9 countries and 12 U.S. states. Keynote speakers included Sr. Simone Campbell, SSS, and Sr. Janet Eisner, SNDdeN, long-time President of Emmanuel College.

We're proud that administrators, staff and students from NDNU, Notre Dame High School and Notre Dame Elementary School, Belmont, and Notre Dame San Jose participated. Both NDB and NDSJ led workshops.

## Please Join Us in Praying for the People of Nicaragua

As we read about the anxiety created by the violent political crisis in Nicaragua, we are very conscious of Sr. Sandy Price and Sr. Rebecca Trujillo, both of whom have served there for many years. More than 400 people have been killed, and it appears that 2,000+ students have disappeared or been imprisoned. "We do not personally feel threatened," the Sisters say, "and we can continue our ministries, but with broken hearts."

### - In searching for a Development Director on the East Coast

You just might know someone who would be the ideal person to become the Development Director for our Sisters there.

We are looking for a person experienced in communications and fundraising to re-establish contact with friends and benefactors, and encourage support of the Sisters of Notre Dame de Namur and their mission in the U.S., Africa and Latin America.

Anyone interested in the position should contact Monica at [monica.may@sndden.org](mailto:monica.may@sndden.org).

**“All Anne’s Sisters Are My Sisters, too.”**

For many years, Jack Locke, brother of Sr. Anne (Mary Terence) Locke, has

considered our Sisters to be part of his family, and has been generously supporting our retired Sisters with monthly gifts.

We have been very touched by his personal care and commitment, and were sorry to learn of his death on July 17.

We join his family in mourning the loss of our brother, Jack, and pray that our good God is drawing the circle of his generous giving back to him in blessings a hundredfold.
