SISTERS OF NOTRE DAME DE NAMUR

together making a difference

Dear Friend,

Joy to the world! Before we ring in 2020 (!), I thought we might look back on a few significant events of 2019, beginning with recent news from NDNU.

With thanks for your friendship and support of the Sisters and their ministries,

Monica

Dr. Judith Maxwell Greig

The Sisters expressed their appreciation for Dr. Greig with a special piece of art.

With Much Gratitude to Judi

After 10 years as president of Notre Dame de Namur University (NDNU), and more than 30 years of dedicated service to the institution, Dr. Judith Maxwell Greig retired in December.

Judi, who is a Notre Dame Associate, was faithful in her commitment to Notre Dame values. Her tenure ends with much recognition of NDNU's commitment to providing quality education for low-income and traditionally underserved student populations.
